ANNOUNCING THE 8TH ANNUAL REVERSE TRADE SHOW

Come meet with public procurement professionals and learn how to do business with them. Vendors have an opportunity to meet with procurement professionals from government agencies and private businesses at Tucson's 8th annual Reverse Trade Show. The event is sponsored by the local Copper Chapter of the NIGP, The Institute of Public Procurement.

The event takes place on Friday, Nov. 6, from 8:30 a.m. to 1:00 p.m. at the Desert Diamond Center at I-19 and Pima Mine Road. You may register at www.copperchapter.com (click on Events). Onsite registration also is available the day of the show.

The Reverse Trade Show offers direct access to dozens of government agencies in one location at one time. It offers networking with hundreds of local and regional businesses, access to resources from various chambers of commerce, and training sessions on a variety of topics, such as preparing competitive proposals, small business programs, construction and federal funding. Vendors will learn how and where to access opportunities for business with the various public agencies as well as receive the 2015 Edition of the NIGP Copper Chapter Procurement Professionals Directory, which provides contact names for the agencies.

NIGP is an international, membership-based nonprofit organization that provides support to professionals in the public sector purchasing profession.

For more information on the Reverse Trade Show, e-mail info@copperchapter.com.
