### **STREET BONDS ROAD RECOVERY CRACK SEAL PROGRAM UPDATE**

#### **GOLF LINKS – CRAYCROFT ROAD TO AVIATION PARKWAY**

On Wednesday, April 30, 2014 crews from Southern Arizona Paving and Construction Co, under contract with the City of Tucson Department of Transportation (TDOT), will begin crack sealing Golf Links Road from Craycroft Road to Aviation Parkway. The work will take place from 8 a.m. to 4 p.m. The crack sealing work on Golf Links Road is scheduled to be complete on Friday, May 2, 2014.

During this work, travel lane restrictions will be in place, however at least two lanes of travel will be maintained in both directions.

The traveling public can expect delays when driving in the work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work area.

The Road Recovery Program is funded by voter-approved bonds. All proceeds from the bonds will be used to restore and resurface City streets through Fiscal Year 2018. A Bond Oversight Commission composed of citizen volunteers is working to ensure that all bond funds are expended solely for the purpose of repairing city streets.

More information on the Road Recovery Program can be found at [www.tucsonaz.gov/streetbonds](http://www.tucsonaz.gov/streetbonds) or by calling (520) 837-4056. Follow @TucsonRoadRecovery on twitter.
