The number of permits issued is based on the property's frontage. Parking is allowed only on the block face of the address the permit is issued for. Each permit expires yearly. There are three program areas.

- Weekdays plus evenings and weekends (24/7) .....\$72

**Visitor Pass Request** – The Visitor Pass is considered as one of the total permits available. **Not all properties are eligible for Visitor Passes due to lack of sufficient parking frontage.** Vehicle registration is not needed for the visitor pass to be issued.
