Parks and Recreation will be getting a new registration system in February; therefore city residents will not be able to register for session 2 classes until Saturday, Feb. 4. The new system will use your email address as your log in. We are asking our customers to go online now to update their account with current email address and phone number. For instructions on how to update your information, please go to our [website](#). The new site will be easier to use and offer more services to our customers. It is mobile device and smartphone friendly, helping customers avoid lines for registration. If you are a new customer registering for session 2 classes, you will be able to create an account beginning Feb. 1. Accounts created online will default to the non-resident rate until city residency is verified in person at class registration or at a parks and [recreation facility](#) near you.

All leisure class listings are online at www.ezeereg.com. Please see the Activity Guide for more information on registration and deadlines. Whether you enjoy being active in slow-pitch softball leagues, want to design amazing jewelry, or get healthy and fit, there truly is something for everyone at Tucson Parks and Recreation. For questions or more information on registration or programs, contact Registration Services at 791-4877.
