EL RIO THEATRE PROJECT PRESENTS: *LOVE'S LABOUR'S LOST*

The El Rio Theatre Project will present its 9th annual Shakespeare in the Park with William Shakespeare's "Love's Labour's Lost" at the Himmel Park Outdoor Amphitheatre, 1000 N. Tucson Blvd. In this exuberant romantic comedy youthful idealism gets derailed by love. The King of Navarre and his buddies have plans to immerse themselves in their studies swearing off less civilized pursuits — namely girls. After the Princess of France arrives with her ladies on a diplomatic mission, the young men's hearts melt along with their brainy resolve. Playful pranks, witty wordplay and moony wooing give way to more serious matters that reveal the cost of real love. Bring a blanket, a picnic basket, and the whole family, and enjoy an evening of theatre in the park. For additional information call 791-4353 or visit our website at <http://tucsonshakespeareinthepark.org/>.
