In July of 2015, the Department kicked off a process of information gathering that will result in a vibrant new five-year master plan that anticipates future needs and outlines the actions necessary to deliver high-quality recreation facilities, programs, and services to the Tucson area. Public and stakeholder input are critical to the success of the master plan.

Norris Design, the local consulting firm selected to assist and lead the planning effort, is conducting the public input process. Additional opportunities for input and updates are available through the project website [www.tucsonaz.gov/parks/masterplan](http://www.tucsonaz.gov/parks/masterplan) or email to [parksmasterplan@tucsonaz.gov](mailto:parksmasterplan@tucsonaz.gov).
