COMMEMORATIVE TREE DEDICATION, FRIDAY DEC. 5, 2014

Tucson Clean & Beautiful, in cooperation with the City of Tucson and Pima County, announce the upcoming dedication of commemorative trees along the Pantano River Park. Each tree to be dedicated has been purchased by Tucson area residents, honoring friends and family. The dedication ceremony will include a reading of the names for whom trees have been dedicated, and names inscribed at the nearby Children’s Memorial Garden. At the conclusion of the ceremony, attendees are invited for a brief walking tour of the newly-dedicated trees.

The new Pantano River Park Commemorative Tree Program is based upon the success of the completed El Paseo de los Arboles Commemorative Tree Project where 600 trees were added on the bank of the Santa Cruz River. Over the next several years, 570 trees will be added along the Pantano Wash. The dedicated trees will restore more than two miles of natural habitat, and will grow to provide shade for users of this year-old multi-use path. Commemorative trees are available for purchase through Tucson Clean & Beautiful for \$225 each, including the tree, irrigation lines, numbered marker installation, name dedication at a commemorative plaza, and guaranteed replacement. Tree purchases are partially tax deductible. Please call (520) 837-6832 for more information.
