

August 31, 2015

Dear Honorable City Manager Michael Ortega c/o PERF:

I seek to secure the position of Chief of Police for the City of Tucson, Arizona, I intend to use all of my knowledge, executive level skills, competent abilities and proven leadership to propel and maintain the great work of the Tucson in crime management and citizen engagement. The aforementioned attributes I have obtained in over 23 years in law enforcement enable me to lead such a venerated police force and serve the great citizenry of Tucson, with pride, integrity, and honor.

I am a twenty-three year plus (23.7) police veteran of the Dallas Police Department who is a highly self-motivated, goal-oriented individual with a passion for making a difference in my life, and the lives of others. I have a keen understanding of the culture of the city and what is required to make it successful. As a committed and innovative leader with initiative, drive, character, and integrity, I believe in collaborative problem solving, accountability, responsibility, and demonstrative leadership. I am a customer-focused professional with a strong track record demonstrating strong analytical and problem solving skills. The ability to build relationships through many outlets from various crime watch groups, subordinates, peers, associations, organizations, affiliations, and community involvement. I have the ability to follow through with programs and projects from inception to completion; a background in leadership, management, education and training; and proven strengths in achieving goals and motivating police and community teams in order to produce results through sound processes.

The City of Tucson seeks a qualified and credentialed leader to guide the police department into a better future. Without a doubt I believe that I am the person with the necessary skills to lead the Tucson Police Department.

Respectfully,

Malik Aziz, MBA
