DOWNTOWN GATEWAY REDEVELOPMENT AREA PLAN PUBLIC MEETING

As part of the City of Tucson's overall emphasis on economic development and job creation, in April 2012 the Mayor and Council adopted a resolution approving the Downtown/ Gateway Redevelopment Area. The focus of the redevelopment area will be on private sector economic development opportunities in five specific areas of the City. Meetings will be held for each of the five areas to identify locations of existing development and to request input for future development and redevelopment opportunities from residents, business owners, and prospective investors. The meetings will be used to prepare the Downtown Gateway Redevelopment Area Plan.

The first meeting is scheduled for discussion of Area 1 (generally west of Interstate 10, from St. Mary's Road south to Silverlake Road) will be held on:

Thursday, December 6, 2012
5:30 p.m. to 7 p.m.
Sentinel Building, 320 North Commerce Park Loop
