6. Review and Approval Procedures

- a. An IPP for projects within 300 feet of R-3 or more restrictive zones is reviewed in accordance with Section 3.3.5, 300' Notice Procedure-3.3.3, PDS-Director Approval Procedure.
- b. An IPP for projects more than 300 feet from R-3 or more restrictive zones is reviewed in accordance with Section 3.3.3, PDS-Director Approval Procedure-3.3.5, 300' Notice Procedure.

Comment [AU1]: The procedures were inadvertently switched when the UDC was prepared. The proposed change corrects this mistake so that the procedures are the same as the LUC and the ordinance establishing the Individual Parking Plan.
