RE: 1/15/14 Agenda, Item # 6, Update on Infill Incentive District Amendments

Dear Mr. Keith:

Due to previously scheduled commitments, SAHBA will be unable to send a representative to the Planning Commission meeting this evening. We do, however, wish to communicate our interest and involvement on the Infill Incentive District Amendments. The IID is strongly supported by our members who feel it is a useful tool in incentivizing development in key areas within the City. SAHBA staff and members have been active participants in the stakeholder process and will continue to do so as the process continues. We look forward to continuing our work with the Commission and other stakeholders.

Sincerely,

A handwritten signature in black ink that reads "David".
