

ISLES ARCHITECTURE L.L.C.

Building Revision: 1131 N Tucson Blvd

Project Address: 1131 N Tucson Blvd
City of Tucson Project #: T18CM00624
B of A Case #: C10-18-11
Exhibits: Revised Site Plan, Floor Plan and Building Elevations (B of A Revision 9-20-18)

The following is a summary of building design changes for the project at 1131 N Tucson Blvd.

Building Changes:

The loft and loft stairway have been removed from the project.

The overall building height at the gable ridge has been reduced from 23'-8" to 19'-7".

The square footage of the building has been reduced from 2,500 sq. ft. to 2,157 sq. ft.

The entry porch/roof deck and stair have been lowered in height.

Although the changes listed above have not been reviewed by the Zoning Department, the changes are all reductions in height and size and should be approvable.

Thank you for your time to re-look at our project. Please feel free to contact me with any questions or comments.

Sincerely,

Scott E. Isles
