Dear Mr. Molina:

Planning and Development Services Department (PDSD) has reviewed the materials provided with the application for a proposed Medical Marijuana Dispensary Location at 3435 E. Speedway Blvd. as regulated by City of Tucson Ordinance No. 10850, 11199, and 11346. Staff has researched the subject location to determine compliance with UDC Sec. 4.9.9.E and found that this site is not in compliance with UDC Sec. 4.9.9.E.1.h as excerpted below:

In the C-2 and C-3 zones, a medical marijuana dispensary off-site cultivation location shall be setback a minimum of 1,000 feet from, a church or library and a minimum of 2,000 feet from a licensed residential substance abuse diagnostic and treatment facility or other licensed residential drug or alcohol rehabilitation facility measured in a straight and direct horizontal line from the closest exterior or applicable interior suite wall of the medical marijuana dispensary off-site cultivation location to the closest property line of a church, library, public park, licensed residential substance abuse diagnostic and treatment facility, or other licensed drug or alcohol rehabilitation facility. A "church" means a building that is erected or converted for use as a church, where services are regularly convened that is used primarily for religious worship and schooling and that a reasonable person would conclude is a church by reason of design, signs, or other architectural features.

The Temple Center for Worship and the Korean Services churches are operating out of 1001 N. Richey Blvd. located on tax parcel 125-10-0240. The property line of tax parcel 125-10-0240 is less than 1000 feet from the proposed medical marijuana dispensary location. Based on this information, the proposed location is not in compliance with the requirements of the City of Tucson Unified Development Code. If you need further information, please contact Steve Shields (520-837-4956).

Sincerely,

Carolyn Laurie
