RE: South Pantano Area Plan PA-18-05

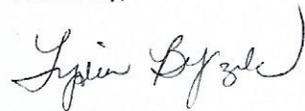

Dear John,

Per our recent conversation, I am sending this letter in lieu of attending the meeting to be held Wednesday, April 3, 2019 addressing the proposed amendment for the above named property.

My husband and I who own, operate, and live on Raven Ranch directly across Harrison Rd. from this property are in favor of the change. We believe this is an improvement to the current condition of the property, will discourage vagrancy and crime on an otherwise useless lot and will contribute to the tax base of the City if allowed to house a viable business.

Thank you for taking the time to receive and read this letter stating our opinions.

Sincerely,

Lydia Byczek
