FREQUENTLY ASKED QUESTIONS

Who Considers The Appeal?
The Board of Adjustment is a semi-judicial body comprised of lay people appointed by Mayor and Council to hear and decide appeals to decisions made by the Planning & Development Services Department Director (designee) on applications for a Design Development Option (DDO) to certain design criteria of the Unified Development Code (UDC). Decisions by the Board of Adjustment (B/A) can be appealed to the Pima County Superior Court. Given the legal nature of this zoning process it is important that each applicant reads and follows the submittal steps exactly as provided in this packet.

How Long Does This Process Take?
The typical Board of Adjustment application process takes from 2-1/2 to 3 months to complete from beginning to end. The B/A application processing time does not include the time PDSD Zoning Review Staff needs to review a project plan and generate the final Unified Development Code (UDC) compliance review comments required for your application submittal.

What Are The Steps?
1. Obtain final not preliminary Unified Development Code (UDC) compliance review comments for your project from the City of Tucson Planning & Development Services Department (PDS), 1st Floor City/County Public Works Building, 201 North Stone Avenue. The UDC comments written on the site plans submitted with the DDO application must be transferred to a memo, letter, permit card or other separate written document. This application process assumes you already have these formal comments written separately.

2. [OPTIONAL but strongly recommended.] Obtain official Board of Adjustment mailing labels from PDSD Zoning Administration Staff, 2nd Floor Offices Public Works Building, 201 North Stone Avenue 791-5550.

3. [OPTIONAL but strongly recommended.] Using these official mailing labels, per full notice requirements, mail to all affected parties a notice letter, which includes a description of your project and DDO request(s), an offer to meet onsite, and information about the Board of Adjustment hearing. Don’t forget to get “proof of mailing” when you mail the letters.

6. [OPTIONAL but strongly recommended.] Hold your onsite meeting with those affected parties interested in the application. Provide a sign-in sheet and prepare a summary of what was discussed.

7. Referring to the “Submittal Checklist” assemble the required items for appeal application submittal.

8. Contact PDSD Zoning Administration Staff to schedule an appointment for submittal of the appeal application. Applications may not be dropped off. You must be present to answer staff questions. Please allow up to 30 minutes for staff to review the application for completeness and acceptance.

9. Attend the DRB meeting and Board of Adjustment hearing.

Poorly prepared or incomplete submittals will not be processed and will be returned to the applicant.

For Zoning and Subdivision review, the Unified Development Code (UDC) applies to this application. If you feel the Land Use Code (LUC) should apply, please consult with Zoning review staff. Applicable timeframes can be provided at your request or found in Administrative Manual Sec. 3-02 or found on our website at http://cms3.tucsonaz.gov/pdsd. For information about applications or applicable policies and ordinance, please contact Mark Castro at 791-5550.

By state law, we cannot initiate a discussion with you about your rights and options, but we are happy to answer any questions you might have.
