CASH BOND

TEMPORARY CONNECTION OF ENERGY, FUEL OR POWER

This cash bond is provided to obtain approval of a temporary connection of energy, fuel or power to serve the Premises identified as Street Address (Identify structures to be connected if less than the entire project) for the purpose of doing certain work or constructing certain improvements on the Premises, which work or improvements is referred to as "the Work".

The contractor or party responsible for the Work, who is referred to in this cash bond as "Principal", is Principal's corporate or individual name and address.

(Check and initial the box corresponding to whichever of the two following provisions applies:)

Initials Principal is the owner of the Premises, and hereby expressly grants the City of Tucson a right of entry onto the Premises, if necessary, to bring the Work into conformance with the requirements of this Bond.

Initials Principal has received an express delegation of authority from the owner of the Premises and, pursuant to that delegation, Principal hereby (1) represents that Principal is authorized to do the Work and (2) expressly grants the City of Tucson a right of entry onto the Premises, if necessary, to bring the Work into conformance with the requirements of this Bond.

To secure and assure performance of the obligations described in this cash bond, Principal has deposited with the City of Tucson the cash sum of _____

Principal has applied for a temporary connection of energy, fuel or power for building service equipment at the Premises. This cash bond is provided to comply with and shall be construed and interpreted in harmony with Section 308.2 of the City of Tucson Building Safety Administrative Code.

Principal shall comply with the requirements of the City of Tucson Building Safety Administrative Code and technical codes that apply to the building, structure or service equipment served by this temporary connection. Principal shall also comply with all rules, regulations, and requirements lawfully promulgated under those codes regulating the authorization, use, termination and revocation of this temporary connection. If the City of Tucson determines that Principal has failed to comply with these requirements, the City of Tucson shall notify Principal that it intends to, and after such notice may, withdraw and use that amount of the cash bond necessary to bring Principal's work into conformance with these requirements.

The City of Tucson shall hold this cash bond for the duration of this temporary connection and for thirty days thereafter. If during that time any of the following events occurs, this cash bond shall be retained by the City of Tucson until Principal's default is cured or until final disposition of all legal actions and claims, whichever occurs last:

- The City of Tucson gives Principal notice of default.
- A legal action or claim is filed relating to this cash bond.
- The City of Tucson notifies Principal that it reasonably believes there is an impending legal action or claim relating to this cash bond.

Notice to Principal shall be sufficient if mailed or hand delivered to Principal's address inserted where indicated above.

This cash bond shall neither be void nor terminate when the City withdraws less than the full amount of this bond, but may be used and recovered upon from time to time until the full amount of this bond is exhausted.

This cash bond is for the benefit of the City of Tucson and any person damaged as a result of any violation of the technical codes referred to in this cash bond.

Principal and Principal's heirs, personal representatives, successors, and assigns are jointly and severally liable for and bound by the obligations described in this cash bond.

IN WITNESS WHEREOF the Principal has duly executed this cash bond and has deposited the cash bond amount with the City of Tucson this ____ day of Month, 2002.
