

BEST PRACTICES – JURISDICTIONS

The parking regulations of the following jurisdictions will be used to assist in the decision-making process to gauge and used a comparison as part of the Parking Code Revision Project.

The following criteria were used when selecting jurisdictions:

- Proximity to Tucson;
- Comparable in population to Tucson;
- Competitor city (as identified by TREO); and/or,
- Recently amended their code.

<u>City</u>	<u>Source</u>
Albuquerque, NM*	Comprehensive Zoning Code
