Dear Customer:

RE: Service Scheduling – September 1<sup>st</sup>, 2008 through January 2nd, 2009  
Single Family Residential Dwellings Rated 400 Amps or Less

Tucson Electric Power Company (TEP) will schedule and install services (both new and increases) not requiring line and/or transformer work within 5 working days after the following requirements have been received:

- Electrical clearances from the City of Tucson, Pima County, Marana, Oro Valley, Sahuarita or South Tucson
- Any inspection required by TEP personnel

## REMINDERS:

1. Due to Labor Day, Veterans Day, Thanksgiving holiday, Christmas holiday, and New Years Day, services will not be scheduled on September 1st, November 10<sup>th</sup> & 11<sup>th</sup>, November 27<sup>th</sup> & 28<sup>th</sup>, and December 24<sup>th</sup>, 25<sup>th</sup> & 26<sup>th</sup>, 2008, and January 1<sup>st</sup> & 2<sup>nd</sup>, 2009.
2. Permanent addresses should be on switch panels before requesting governmental inspections and must agree with address on permit and new construction application.
3. Please be aware that there may be as much as a 24-hour time delay in notifications to TEP from governmental inspection agencies after they have made their inspections in the field.
4. If you currently receive an annual CD copy of the Electrical Service Requirements Book (ESR Book) and wish to receive updates by e-mail, please provide us with your current e-mail address by completing the Change of Address Form at <http://tep.com/Business/Construction/ServReqBook.asp>.
