SUBJECT: Miles Neighborhood Plan

Issue – This item is scheduled for discussion by the Planning Commission in a Study Session. Staff will review the planning process and key content of the plan in a PowerPoint presentation at the Study Session.

Recommendation – Staff recommends that the Planning Commission schedule the Miles Neighborhood Plan for a Public Hearing at the Planning Commission meeting on October 7, 2009.

Background – The Miles Neighborhood Plan, which has been managed by the City of Tucson's Comprehensive Planning Division, was initiated by interested neighbors and Ward Five in late 2008. The plan preparation process has consisted of: formation of a Citizen Steering Committee; regular Steering Committee meetings and public meetings; an existing conditions inventory; the creation of a vision statement; and development of goals, policies, and strategies.
