

Notice of Intent to Establish New Fees

Date: 12/8/2017: Proposed Fee Changes for Sign Standards - Planning and Development Services

In accordance with A.R.S. §9-499.15, notice of intent to establish new fees is hereby given. The Mayor and Council of the City of Tucson will hold a meeting on February 6, 2017, to consider a proposed Ordinance to modify the Unified Development Code's Development Review Fee Schedule in the Administrative Manual (Section 4-01.16). This includes the establishment of (1) a fee for permanent sign permits and the establishment of (2) a blanket fee for the use of portable signs approved via the portable master sign program.

This fee is being added as a result of the Sign Code Revision Project, recently adopted by the Mayor and Council. For additional information regarding this project, please visit the following page:
