

Tucson Development
Center Online

Tucson Development Center Online

The City of Tucson has rolled out a new system to manage building and trade permits, plans, inspections, and code cases.

[Tucson Development Center Online](#) is a website that gives you direct access to the same systems used in-house.

From a desktop computer, tablet or smart phone you can:

- Search for Public Records
- See Inspections Scheduled for the Day
- Search and Review Plat Information
- Pay invoices
- Review the Calendar of Events, which includes upcoming inspection and expiration dates, important city holidays, etc.

If you [create an account on the system](#) you'll be able to do even more:

- Apply for building and trade permits
- Estimate Permit Application Fees
- Request inspections and view inspection results
- Check permit status
- Print permits and invoices
- Make payments
