

## Public Introductory Meetings April 2011

### PLANNING INITIATIVES

#### Previous and Ongoing Planning Initiatives for Consideration in the Preparation of Plan Tucson

---

**Explanation:** Plan Tucson staff identified the following planning initiatives for review. These initiatives were undertaken since the adoption of the 2001 General Plan and included a public outreach effort. Participants were then asked for suggestions about other planning initiative that staff should review. See next section below.

---

- TREO Blueprint, 2007
- Tucson Regional Town Hall, 2007
- American Institute of Architects' Sustainable Design Assessment, 2007
- Community Sustainability Forum, 2007
- Pima Cultural Plan, 2008
- National Conversations on Climate Action Event in Tucson, 2009
- City/County Water and Wastewater Infrastructure, Supply, and Planning Study, 2009
- Revitalizing Downtown Tucson: Building the New Pueblo, 2010
- City of Tucson and Pima County 5-Year HUD Consolidated Plan, 2010
- 2040 Regional Transportation Plan, 2010
- Image Greater Tucson (a Regional Visioning Process), anticipated completion 2010

#### Other Planning Initiatives for Consideration in the Preparation of Plan Tucson

---

**Explanation:** Participants were asked to review list of planning initiative Plan Tucson staff has been reviewing and to add any other plans that they would recommend staff review. Following are the responses. x = number of times a planning initiative was referenced.

---

- City of Tucson Climate Change Committee: x x
- Efforts of Sustainable Tucson: x x x
- Regional Energy Plan – PAG: x x  
(also referred to as Greater Tucson Strategic Energy Plan – PAG)
- Tucson Solar Plan: x
- Regional Solar Plan: x
- Sonoran Desert Conservation Plan (in particular the adoption of the Conservation Lands System in to Pima County's Comprehensive Plan: x x
- United Way Community Profile (2-year project / mid-1990s): x

April 2011**

**PLANNING INITIATIVES**

***Other Planning Initiatives for Consideration continued***

- 2003 Citizens Comprehensive Transportation Initiative (COT ballot measure): **x**
- The budgets for all of the above [ref. was to all “planning initiatives” in list provided by Plan Tucson staff] and the City and County budgets. Without designated funds nothing will get done. **x**
- Tucson forward [info@tucsonforward.com](mailto:info@tucsonforward.com) **x**
- Check Arroyo Chico Area Plan – p. 39, Policy 2 – regarding Davis Monthan non-compatible uses. This needs to be included in the General Plan. **x**
- Tucson Forward – [info@tucsonforward.com](mailto:info@tucsonforward.com). **x**
- The budgets for all of the above and the City and County budgets. Without designated funds nothing will get done. **x**
- Is there a Parks and Recreation Master Plan. I think there is. **x**
- Reid Park Zoo’s Master Plan from 2000 is reaching end of its term, preparing to do new plan – not sure if relevant to you! **x**
- Local Plan to End Homelessness, but also the federal Strategic Plan to Prevent and End Homelessness that was completed in 2010. The federal strategic plan has very good major focus areas. **x**
