Mediation

Mediation is an informal process designed to resolve disputes through negotiation and constructive communications with the assistance of a trained neutral party, or mediator. This process is a voluntary process agreed upon by both the complainant and the member of the Tucson Police Department. At the conclusion of the mediation, the mediation will be categorized as Agreement, Non-agreement, or Unsuccessful. An 'Unsuccessful' disposition occurs when either of the parties fails to attend or fails to abide by the behavioral expectations of the mediation session. If considered 'Unsuccessful' due to the complainant, the member is considered to have fulfilled their obligation and the complaint will not be accepted. If considered 'Unsuccessful' due to the member, or if either party declines to participate in mediation, the complaint is returned to the Office of Internal Affairs for processing as any other External Investigation.

During **2013**, there were no documented Mediations via the Office of Internal Affairs.

Incident Reporting

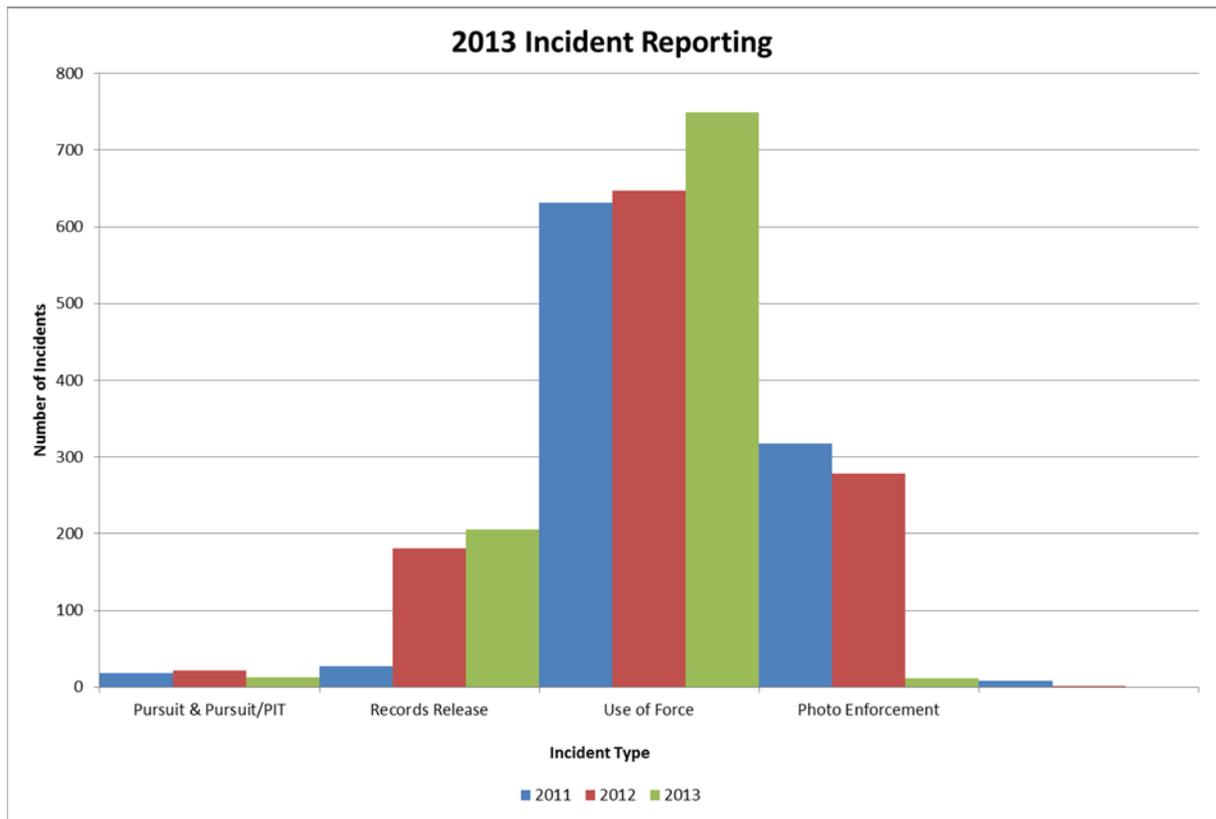

In addition to investigations, the Office of Internal Affairs is also responsible for reviewing and compiling information regarding Use of Force Reports, Traffic Photo Enforcement, Pursuit Reports, Pursuit/PIT Reports, and Public Records Requests that are completed by OIA. The following is a summary of the listed Incident Reports.

Incident Reporting	2013	2012	2011

Public Records Requests	205	181	27
Use of Force Incidents	749	647	632
Photo Enforcement ²	11*	278	317

¹In March 2007 the Pursuit Report and the newly created PIT Report were combined into the Pursuit/PIT Report.

² In 2009 due to the implementation of photo enforcement programs, the Office of Internal Affairs began tracking traffic violations captured on camera involving department members.

*In 2013, The Pima County Sheriff's Department discontinued their Photo Enforcement Program. Of the 67 total Photo Enforcement notifications, 11 warranted additional review by the member's Chain of Command. The remaining 56 notifications were reviewed and closed within the Office of Internal Affairs. The review exonerated the member of any General Order violations. The Photo Enforcement notifications are archived in Internal Affairs and will be maintained for a 3 year period, as required by the Arizona Public Records Law.
