The Tucson Police Department is currently investigating a homicide that occurred early this morning in the 2300 block of North Northway Avenue.

Just after midnight on September 13, 2015, several citizens called 911 to report hearing arguing followed by sounds of gunshots in the area of East Edison Street and North Northway Avenue. Officers from Operations Division Midtown arrived on scene within minutes and began canvassing the area. The officers conducted a check inside the residence and located an adult male with obvious injury. Members from the Tucson Fire Department responded. However, the male was pronounced deceased on scene. The identity of the victim is being withheld, pending next of kin notification.

Detectives from the Tucson Police Department's Homicide Unit, Home Invasion Unit and Night Detectives Unit responded to the scene to continue the investigation.
