The Tucson Police Department seeks public assistance with locating a missing elderly female. Mrs. Mary Robinson, 79-years old, accompanied her husband to a scheduled doctor's appointment at a medical office located in the 6300 block of East Tanque Verde on the afternoon of September 19, 2013. At approximately 3:00 p.m., while Mr. Robinson was visiting with his doctor, Mrs. Robinson walked out of the waiting room area. Mr. Robinson immediately left the office in an effort to locate her, but was unsuccessful. After approximately 30 minutes, he returned to the medical complex and police were asked to respond to assist with locating her. Various patrol and other resources have been extensively searching for Mrs. Robinson. There is concern for her welfare as she has been diagnosed with Alzheimer's Disease and confuses easily.

Mrs. Robinson is described as a Caucasian female, 5'04" tall, weighing approximately 175 pounds, and having white hair. She wears eyeglasses to see. Mrs. Robinson was last seen wearing a pink and red plaid shirt, tan pants, and navy loafers. She did not have a purse or wallet with her, and she did not have any identification, currency, or bank cards in her possession. Mr. and Mrs. Robinson live in the area of East Grant Road and North Campbell Avenue.

If you have seen Mrs. Robinson or know where she is, please call 911 so that her welfare can be checked and she can be returned home to her husband. A recent photograph of Mrs. Robinson is included below.
