MISSING VULNERABLE ADULT 34-YEAR-OLD JOSUE PACHECO

The Tucson Police Department is seeking the public's assistance in attempting to locate 34-year-old Josue Pacheco.

Josue is an adult, but functions as a child. He was last seen on March 27, 2017 at approximately 5:00 p.m. at his residence in the 2100 block of North 4th Ave. He takes daily insulin and blood pressure medication which he does not have with him.

Josue is described as a Hispanic male, 5'0" tall, 120 pounds with hazel eyes and black hair. He has a scar on the left side of his neck, a large scar on his chest and a small scar on his right eyebrow. He was last seen wearing a black shirt and was carrying a gray backpack. His family believes that he may also have a gray shirt and green pajama bottoms with him, so he could be wearing any of those combinations. He is believed to be on foot and possibly wandering the streets.

Anyone who has seen Josue Pacheco or may know his possible whereabouts is encouraged to call 911 immediately. Please share this information so we can help bring Josue home safely to his family.
