On February 11, 2012 at approximately 11:45 p.m., the Tucson Police Department received a 911 call reporting a man down in a parking lot near 3050 North Country Club. Officers from Operations Division Midtown responded and were on scene within two minutes. Officers determined that the victim was deceased, with obvious signs of trauma. The victim is identified as a **white male, approximately 40-50 years old**. Next of kin have not been notified.

Detectives from the Homicide Unit responded to the scene to continue the investigation, assisted by the Night Detectives Unit. Detectives collected evidence at the scene and interviewed witnesses. Detectives have determined that two citizens were walking in the area when they noticed the victim's body in the parking lot.
