## HOMICIDE 700 BLOCK OF EAST 1<sup>ST</sup> STREET

At approximately 11:45 a.m. on October 18, 2011, the Tucson Police Department responded to the 700 block of East 1<sup>st</sup> Street after receiving a 911 call reporting shots heard. Officers from Operations Division Downtown were on scene within approximately 5 minutes of the call and encountered a male victim in his 20's with obvious but non-life threatening trauma outside an apartment. The male directed officers to an apartment. When officers forced entry into the apartment to check welfare, they discovered the body of a deceased male victim with apparent gunshot trauma. The deceased victim has been identified as **23-year old Carlos Guillermo**, a resident at the location. Next of kin have been notified.

Detectives from the Homicide Unit responded to the scene to conduct the follow-up investigation. Detectives have determined that there was an altercation at the apartment between the two victims and at least two suspects. The surviving victim, a visiting acquaintance of Guillermo, was assaulted and suffered minor injuries. Guillermo was shot at least once. The suspects fled from the scene westbound on 1<sup>st</sup> Street. The investigation is ongoing and no motive has been established at this time.

The suspects are described as **two African-American males, both approximately six feet tall, wearing all dark or black clothing. One of them is described as having a light complexion.** The suspect vehicle is described as a **white passenger car.**

The Tucson Police Department urges anyone with information about this case to call **911** or **88-CRIME**.
