MISSING ELDERLY MALE

*****UPDATE – JANUARY 1, 2013*****

We are happy to report that Mr. Chavarria has been located. After being checked by medical personnel, he will be returned to his residence. At this time, he appears to be in relatively good health, suffering only from some minor scrapes and from the effects of exposure to the cold. The medical check will be conducted to ensure that he is healthy enough to return home. Thanks go out to all who assisted with searching for him.

Sergeant Maria Hawke – January 1, 2013

Personnel from the Tucson Police Department have initiated an extensive search in the Rita Ranch area for a missing elderly male. **Genaro Chavarria, 92-years old**, was reported missing at approximately 7:30 a.m. on January 1, 2013. Mr. Chavarria's family was able to pinpoint the time that he left his residence to approximately 2:00 a.m. He has been diagnosed with Advance Alzheimer's. On previous occasions when he has left the residence, he became confused and was not able to remember how to get home. In those instances, he was located walking in the **Rita Ranch area**, generally in the vicinity of South Nexus and East Rita Road.

Mr. Chavarria is described as a **Hispanic male, approximately 5'08" tall, weighing 160 pounds, with gray, balding hair**. He was last seen wearing a **brown and white, plaid flannel shirt, jeans, and black tennis shoes**. He is not familiar with using the bus system and does not have any access to money.

The overnight temperatures dipped to 30 degrees, significantly increasing the concern for his well-being. Mr. Chavarria did not take with him a jacket or other clothing items to keep him warm. Tucson Police Department personnel will be continuing the search for Mr. Chavarria. Anyone who might have seen him or have information about his whereabouts is urged to **call 911 immediately** so that his welfare can be checked, he can get any medical attention he might need, and he can be returned home. A photograph of Mr. Chavarria is included below.
