

Thank You Tucson Police Foundation!!!

The Tucson Police Department would like to extend HUGE thanks to the Tucson Police Foundation for all of their dedicated efforts in supporting both TPD and the Tucson Community. For those that don't know, the Tucson Police Foundation is a non-profit, charitable organization focused on fostering relationships between the Tucson Police Department and the Tucson Community through community building, education, and outreach endeavors. Additionally, as the City of Tucson has had to make some tough financial decisions, threatening and/or cutting a number of community programs in recent years, the Tucson Police Foundation has worked tirelessly to help bridge some of the budgetary gaps in order that some programs can be saved from elimination.
