

Enrolling in the State Historic Property Tax Program through the Pima County Assessor's Office:

Example of Photos to Submit

Created by the Tucson Historic Preservation Office, December 7, 2011

You should submit 2 pictures with your State Historic Property Tax Program property enrollment form: one of the front of the property facing the street (example 'A'), and the other of a front-side angle (example 'B').

If you have digital pictures of your property, from a digital camera or phone, you may insert them into a document and submit them – as opposed to having the pictures developed. **BE SURE TO INCLUDE YOUR ADDRESS!** Below is an example of how to prepare such a document.
