Very good to know, Mr. Warsky. I will make note of that, and by way of this email am forwarding your information to the MainStreet Business Assistance program. Are you aware of their services?

One of their representatives, Jan Waukon, will be going door-to-door along the corridor soon, talking to business and property owners about their services and giving them information about the Broadway project. If you would like one of those packets, too, please let me know.

Also, if you have any questions about the City's acquisition process, Tim Murphy and Dorothy Weideman can answer questions. I've copied everyone on this email, just for ease of reference and to help share your news.

Please let me know if I can be of further help or assistance to you.

Kind regards,  
 ~Jenn

Dear Mr. Warsky,

I am following up on your request for the meeting summaries of the June 20, 2012 Broadway Citizens Task Force meetings. At last week's CTF meeting, the meeting summary was approved for the 1-hour Citizens Task Force meeting, and it and the audio recording are available now online. <http://cms3.tucsonaz.gov/clerks/boards?run=pastminutesaudio&board=100>

Within that same web site (City Clerk's Office) are the Legal Action Reports (LARs) and Agendas

for the 6/20 and 7/26 Task Force meetings:

<http://cms3.tucsonaz.gov/clerks/boards?run=pastLAR&board=100>

<http://cms3.tucsonaz.gov/clerks/boards?run=pastagenda&board=100>

On the Broadway project's web site, the 6/20/2012 Listening Session Draft Report is now available for public review and comment. This report constitutes a summary of that CTF meeting. (It will need to be approved by the CTF before it will be added to the above-referenced City Clerk web pages.) <http://cms3.tucsonaz.gov/broadway>

Please let me know if you have additional questions.

Kind Regards,

~Jenn

I didn't see this email until just now - my apologies. I hope you got the one I sent you that includes the link to the M&C Study Session video. I'll have to get your address to send you the audio of the TAsk Force meeting.

Thanks,  
Jenn
