Dear CTF Members,

Our sincerest apologies to you, the meeting mailing is not ready to send out to you yet. We have attached the basic meeting agenda, and will forward the detailed agenda and other materials tomorrow (electronic and hard copies).

Our guest presentation next week is the *Plan Tucson* team. They will provide an overview of what this document is, how it is used, and in what ways it influences the planning & design of Broadway. The full document can be found online: http://cms3.tucsonaz.gov/files/12minutes/Entire_Document_-_Plan_Tucson_Draft_11-28-12.pdf

Please email me if you want a hard copy of the report before next Thursday. Not a problem to deliver!

Comments at our past Task Force meetings have been made about the Opportunity Areas Map (pg. 3.105), which has been revised. http://cms3.tucsonaz.gov/files/12minutes/Opportunities_with_Draft_1-28-13.pdf

Some thoughts about key areas to focus on (although we heartily recommend looking through the entire document! There is a lot of interesting data about our community, and important considerations.)

- 1) Chapter 1 (pages 1.1 - 1.3) to understand what the document is;
- 2) Chapter 2 (pages 2.1 - 2.12, with particular focus on 2.10 - 2.12, the Vision and Goals);
- 3) Chapter 3 Built Environment: Land Use, Transportation, and Urban Design section (pages 3.97 - 3.111).

The *Plan Tucson* web site contains a list of comments received, and the Plan Tucson team welcomes your thoughts and comments, too. Please find the comments and a Comment Card online at:

As always, please let Nanci or Jenn know if you have any questions. I appreciate your understanding about the delay in the full mailing.

Very best regards,

Jenn , Nanci and the Project Team
