Margot -

My apologies for the delay in responding to this, and for the error in the email. The agenda wasn't completed until Friday evening. The email should have indicated that the agenda and materials would be posted later in the week. We were trying to get the word out about both events too quickly and didn't watch that closely enough. I apologize for the miscommunication.

The agenda is now available online. I will ask for another eBlast to go out with the correct info.

Thank you for alerting me, and my apologies that it didn't get my attention sooner.

I just got your email about the Feb 6 meeting of the CTF. It said an agenda and materials were ready. I checked the CTF site and City Clerk site and neither had an agenda or materials for the meeting. When will they be ready?
