Thank you for the heads-up, Ruth! I will make note of that so we do not double-book.

Hi, Jenn,

I have been reading the e-mail exchanges about the Broadway Task Force future meetings. I saw where it is hoped to have another public meeting in May. Please avoid scheduling that on May 1. That is the evening that a new citizens' coalition, to be called Tucson Residents for Responsive Government, is having its initial Annual Meeting at the Ward 6 Office. I know that people involved with the Broadway Coalition will want to come.

Thanks,
Ruth
