

BROADWAY BOULEVARD CITIZEN PLANNING TASK FORCE

MEMORANDUM

TO: Broadway Boulevard Citizens Task Force
FROM: Broadway Boulevard Project Team
DATE: August 23, 2012
RE: Amendments to the 6/20/2012 Listening Session Draft Report

At the July 26, 2012 Citizens Task Force (CTF) meeting, you were provided with a draft copy of the report compiling comments collected at the 6/20/2012 public Listening Session event, and after the event through special comment forms and emails. The CTF approved the document being released to the public for review and comment. One worksheet has been submitted by a member of the public for your consideration and is included as Item #21 in the *Public Input Report* attachments.

The report will be discussed again as Item 7 at the August 30 meeting. This memo provides an overview of some changes to the document the Project Team feels are warranted for your consideration prior to the meeting, along with pages to replace/supplement to the draft report you currently have.

The draft provided on July 26, 2012 provided analysis of the comments collected at the small group discussions, but had not yet incorporated the comments from comment forms and emails into the Themes and Sub-themes tables. That has since been completed and is being forwarded in the attached pages.

Additionally, a more descriptive summary of the Additional Stakeholder Input included in Appendix C has been included.

Finally, pages missing from Appendix A - photocopies of the comment forms and emails received and transcribed into the Appendix B document - are provided.

To update the document you already have, please:

- Remove from your current copy the pages containing the Themes and Subthemes table, and the last page (containing the 'Additional Stakeholder Input' and 'Next Steps' sections) of the report.
- Replace those with the first 9 pages behind this cover memo, stopping at the page labeled "Appendix A Addendum".
- Insert the Addendum pages at the end of Appendix A, and before Appendix B.

Please remember to bring your worksheet, the *Listening Session Experience* worksheet, to next week's meeting. Thank you.

This project is funded by the City of Tucson, Pima County and the Regional Transportation Authority (RTA), and is part of the voter-approved, \$2.1 billion RTA plan that will be implemented through 2026. Details about the plan are available at www.RTAmobility.com.

Details about the project are available on the web at www.tucsonaz.gov/broadway or by calling (520) 622-0815.
