- Discuss evaluation criteria in detail. Project team will prepare a preliminary draft based on discussions to date which will be distributed to CTF members in advance.
- Hear from communities with special needs and concerns for Broadway including for example those representing bicyclists; pedestrians; transit; disabled; property owners, commercial and residential redevelopment; and emergency services.

CTF Meeting #6

December 13, 2012

Key Agenda Items

- Finalize evaluation criteria
- Overview of Acquisition/Relocation Process.
- Initial discussion of alternatives with CTF. Determine what characteristics or combinations of characteristics that should be reflected. Alternatives will be established that represent opposing tensions to start the process of analysis and discussion that is expected to ultimately lead to a consensus position. This may include a working session with CTF members to interactively develop an initial set of alternatives.

CTF Meeting #7

January 17, 2013

Key Agenda Items

- Finalize evaluation criteria.
- Present several preliminary corridor development alternatives reflecting different sensibilities as reflected in the Project Vision and Goals Framework, listening session, and discussion from the previous meeting. No analysis of these will have been made at this point.
- Discuss alternatives with CTF noting any initial suggestions and concerns.

CTF Meeting #8

February 21, 2013

Key Agenda Items

- Present refined set of corridor development alternatives.
- Present initial analysis of alternatives based on evaluation criteria.
- Discuss results with CTF. Determine refinements to the alternatives that may be appropriate in light of the analysis.

This project is funded by the City of Tucson, Pima County and the Regional Transportation Authority (RTA), and is part of the voter-approved, \$2.1 billion RTA plan that will be implemented through 2026. Details about the plan are available at www.RTA mobility.com.

CTF Meeting #9

March 21, 2013

Key Agenda Items

- Present further refined set of corridor development alternatives.
- Present evaluation of new alternative set alternatives based on evaluation criteria.
- Present a recommended general approach for corridor development.
- Discuss results with CTF.

We expect that by this time the CTF will be able to endorse a tentative corridor development approach. If not, additional rounds of analysis and meetings will be held until a consensus is reached. If it becomes clear that a consensus will not be achieved, more than one CTF recommendation may be forwarded to the sponsoring agencies.

Public Meeting #3

early April 2013

Key Agenda Items

- Present and receive public input on alternatives evaluation and initial CTF endorsed corridor development approach.

CTF Meeting #10

late April 2013

Key Agenda Items

- Review results of public input.
- Determine if and how to revise the tentative recommendation.
- Determine next steps and CTF meeting schedule.
