

Public Meeting for Houghton Road: Tanque Verde Road to Speedway Boulevard, Speedway Boulevard to 22nd Street

The City of Tucson Department of Transportation (TDOT) is continuing the conceptual design of roadway improvements on Houghton Road, and requests your participation.

The improvements are part of the Houghton Road corridor roadway widening project that will upgrade Houghton Road to a divided, multilane facility between Tanque Verde Road and Interstate 10.

Tanque Verde Road to Speedway Boulevard: Work is just beginning on the first phase of conceptual design that will result in a Design Concept Report and 30-percent preliminary design plans.

Speedway Boulevard to 22nd Street: The conceptual design phase that results in a Design Concept Report and 30-percent preliminary design plans is coming to a conclusion. Two public meetings have been held previous to this meeting. You are invited to attend the public meeting to view maps of the Tanque Verde Road to Speedway Boulevard area and preliminary design plans for the Speedway Boulevard to 22nd Street area, meet the designers and discuss any issues of interest or concern:
