

Houghton Road and Broadway Boulevard Intersection

Public Meeting Notice

Wednesday, Feb. 17, 2010

6 to 7:30 p.m.

Gridley Middle School Cafeteria

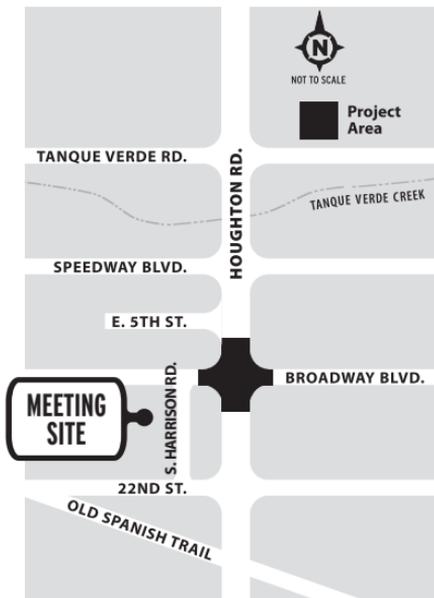

350 S. Harrison Road, Tucson, AZ 85748

The City of Tucson Department of Transportation (TDOT) is continuing to progress the design of roadway improvements along Houghton Road and requests your participation in the Houghton Road and Broadway Boulevard Intersection Improvement Project.

The Houghton Road and Broadway Boulevard intersection will be widened to a six-lane facility as part of the overall plan to widen Houghton Road to a multilane, divided facility between Tanque Verde Road and Interstate 10. Project improvements will

widen the intersection to allow for three through lanes in each direction, dual left turn lanes, exclusive right turn lanes, new and upgraded traffic signals and lighting, bus pullouts, and drainage improvements. A Sun Tran Park-and-Ride lot on the northwest corner of the intersection is also proposed for the project. The project funding is derived from the voter-approved Regional Transportation Authority (RTA) plan.

The project is in the design phase and is at 75-percent design completion. You are invited to attend the public meeting to view displays of this project area, make comments and discuss any items of interest or concern.

For More Information

For more information about the public meeting, please contact TDOT Project Manager M.J. Dillard at mj.dillard@tucsonaz.gov or 520-837-6616. For more information on this project, please visit the Houghton Road Corridor Web site at www.houghtonroad.info.

Individuals with disabilities who require special accommodations are requested to contact Melissa Benton at melissa@gordleydesign.com or 520-327-6077. Requests should be made as soon as possible to allow time to arrange the accommodations.
