## HOUGHTON ROAD CORRIDOR DESIGN OPEN HOUSES

The City of Tucson Department of Transportation (TDOT) and the Regional Transportation Authority (RTA) have scheduled three informational open houses to seek input for the conceptual design of roadway widening improvements on Houghton Road between 22nd Street and Interstate 10.

Two open houses – with identical content – pertaining to the section between 22nd Street and Valencia Road will be held:

- **Wednesday, June 6, 2007, from 6 to 7:30 p.m. at Secrist Middle School, 3400 S. Houghton Road.**
- **Wednesday, June 13, 2007, from 6 to 7:30 p.m. at Desert Sky Middle School, 9850 E. Rankin Loop.**

One open house addressing the area between Valencia Road and I-10 will be held:

- **Wednesday, June 20, 2007, from 6 to 7:30 p.m. at Desert Sky Middle School, 9850 E. Rankin Loop.**

At each meeting, representatives from TDOT and the project team will be present to provide information, answer questions and address the public's concerns. Maps and displays will be available for viewing, and the public will be encouraged to complete and submit comment forms.

As one of the projects identified by the voter-approved \$2.1 billion Regional Transportation Authority (RTA) plan, Houghton Road will be widened to a multilane, divided facility between Speedway Boulevard and I-10. The work will be divided in three sections. More information on this project is posted at [www.houghtonroad.info](http://www.houghtonroad.info).

Individuals with disabilities who require special accommodations are requested to contact [arizeder@gordleydesign.com](mailto:arizeder@gordleydesign.com) or (520) 327-6077. Requests should be made as soon as possible to allow time to arrange the accommodations.
