

Spend Smart

It's difficult to save and avoid debt if you spend too much. You need to spend smart, too. This doesn't have to mean sacrificing enjoyment or require a lot of work. It's about identifying ways to prioritize so you spend on what you truly want and can afford.

College Smarts

While the cost of a college education continues to increase, so does the importance of figuring out how to fund it. The good news is that there are many ways to finance college. We'll review what you need to know, whether your child was just born or will soon be college-age.
