

The AZ UTRACS DBE Firm Directory is used for finding certified firms & their primary business activities to meet your DBE compliance goals.

Certified DBE Directory is updated in real time!

1. Go to: <https://utracs.azdot.gov/Home/>

2. From the homepage, go to “Search (DBE) Firm Directory” located at the top right of the webpage.

Start here!

3. When searching, two necessary actions are:

- Check the DBE search box.
- Enter a NAICS description word that matches the type of firm capability you're looking for.

7. It's probable that you will not find one business with the ability to meet all your needs in each work-type category. Multiple businesses can be (and often are) used to meet goals!

- In this example, each of the two firms shown are certified in one type of concrete work that is required for the project. Both firms can be used as subcontractors to meet the DBE goal requirement, so long as the work they are completing for the project is the same type of work they are certified to perform.
