

Table of Contents

PREFACE	i
SECTIONS	1
Sitework	
0202	Maintenance 3
0203	Site Clearing 6
0204	Removal of Water Mains and Obstructions 8
0205	Earthwork..... 12
0209	Installation of Water Lines 18
0210	Pipe Marking, Detection Tape, and Tracer Wire 35
0211	Pavement Replacement..... 37
0212	Existing Vegetation and Native Plants 40
0213	Surface Restoration..... 43
0214	Fence 44
0215	Construction Surveying and Layout 50
0216	Construction Surveying and Layout Performed by Tucson Water 53
Concrete and Reinforcing Steel	
0301	Portland Cement Concrete 54
0302	Concrete Structures 63
0303	Steel Reinforcement 71
0401	Masonry 75
0501	Metals 79
0502	Workmanship..... 85
Pumps	
1201	Vertical Turbine Booster Pumps 87
1202	Line Shaft Driven Vertical Turbine Well Pumps (Oil Lubricated) 102
1203	Centrifugal Booster Pump and Motor 121
1204	Submersible Pumps 128

SECTIONS, cont.

Piping, Valves, and Appurtenances

1401	Ductile Iron Pipe.....	138
1402	Concrete Cylinder Pipe.....	140
1403	High Density Polyethylene (HDPE) Pipe.....	144
1404	Polyvinyl Chloride (PVC) Pipe.....	145
1405	Galvanized Steel Pipe.....	147
1406	Thrust Restaint.....	148
1407	Taps into Water Lines	152
1408	Corrosion Monitoring and Cathodic Protection	154
1409	Tapping Sleeve and Valve	166
1410	Resilient-Seated Gate Valve.....	168
1411	Butterfly Valves.....	171
1413	Combination Air Release Valve.....	179
1414	Pressure Regulating Valve.....	181
1416	Copper Service Line Materials	184
1425	Valve Nut Extension	186
1426	Valve Box and Cover	187
1430	Fire Hydrants.....	189
1431	Hydrostatic Pressure Testing of Water Facilities	192
1433	Reclaimed Water Lines	194
1440	Fittings, Flexible Couplings, Gaskets, and Repair Clamps.....	196
1445	Private Plumbing.....	199
1446	Water Meters.....	204
1447	Pressure Gauges.....	206
1448	Sodium Hypochlorite Addition Facilities.....	208
1450	Measurement and Payment	209

STANDARD DETAILS

SD 105	General Construction Notes
SD 106	Sewer/Water Crossing Details

STANDARD DETAILS, cont.

SD 107	Drainage Facilities Crossing Details
SD 108	Joint Use Trench
SD 110	Customer Notification
SD 115	Pipe Bedding and Trench Backfill
SD 116	Tracer Wire
SD 300	Valve Box Installation
SD 305	Valve Nut Extension
SD 309	Water Service Notes
SD 310	Service Renewals and Tie-Overs
SD 311	Meter Box Notes
SD 312	Notes for Boring Service Lines
SD 313	Notes for Purging of Service Lines
SD 314	Standard Large Meter Enclosure
SD 320	Cast Iron Meter Boxes
SD 330	Air Release Valve Installation 1"
SD 331	Air Release Valve Installation 2"
SD 332	Standard ARV Enclosure
SD 340	System Installation Outside Public Right-of-Way
SD 350	System Abandonment
SD 375	Highline Installation
SD 400	Drain Valve Assembly
SD 500	Fire Hydrant Installation
SD 600	Restrained Joints
SD 610	Concrete Thrust Blocking
SD 650	Utility Trench Pavement Patch
SD 700	Corrosion Monitoring System Notes
SD 701	Test Lead Placement
SD 702	Pipe Joint Bonding
SD 703	Exothermic Welding
SD 704	Flange Insulating Kit

STANDARD DETAILS, cont.

SD 705	Corrosion Test Station Flush Grade Installation
SD 706	Corrosion Test Station Above Grade Installation
SD 707	Splicing Detail
SD 708	Permanent Reference Electrode Installation
SD 709	Junction Box
SD 710	Types of Corrosion Test Stations
SD 711	Cabinet Mounted Rectifier Profile
SD 800	Boring and Casing
SD 900	Concrete Cylinder Pipe Tape
SD 1610	Block Wall Enclosure and Gates
SD 1615	Fence Installation
SD 1700	Construction Site Sign
SD 1705	Construction Site Sign (Reclaimed)
SD 1800	Backflow Prevention Air Gap Separation Installation
SD 1801	Backflow Prevention Potable Water Fire Hydrant or Standpipe Water Service
SD 1802	Backflow Prevention RPA Installation
SD 1803	Backflow Prevention PVB Installation
SD 1804	Backflow Prevention RPDA Installation
SD 1805	Backflow Prevention DCVA Installation
SD 1806	Backflow Prevention DCDA Installation
SD 1807	Backflow Prevention SVB Installation
SD 1809	Backflow Prevention Potable Water Main Temporary Connection
SD 1810	Service Line Secondary Containment
SD 1850	Plan Symbols

APPENDICES

A	Approved Materials List
B	Related Specifications
C	General Provisions
