Dear Honorable Wendy Million,

Thank you for participating as a faculty member in the 2016 Justice for Families New Grantee Orientation in Washington, D.C. Your presentation was informative and extremely valuable. We received positive feedback from the participants across the board. By all accounts, your contribution prompted many productive discussions and was integral to the success of the event.

We look forward to working with you on future projects and events.

Sincerely,

Liberty Aldrich
Director, Domestic Violence and Family Court Programs
