

September 2018:

Domestic Violence Court's Mentor Court Team recently visited Washington DC to attend an All Sites Mentor Court Meeting hosted by the Office of Violence Against Women and the Center for Court Innovation.

Judge Million, DV Court Coordinator Federico Jeannot, Executive Vice President Anna Harper-Guerrero from Emerge! Center Against Domestic Abuse, and Adult Probation Officer Kathi Follett were able to share stories of our DV Court experiences, collaborate with other professionals in the domestic violence field and strategize on ways to reach out and share our DV Court experiences with other courts.
