PLASTICS
PROGRAM**

**NEW! NOW IN TUCSON.
NO NEED TO SIGN UP.**

HERE'S HOW THE PROGRAM WORKS

- 1 BUY Hefty ReNew BAGS IN A STORE NEAR YOU**

- 2 FILL UP WITH HARD-TO-RECYCLE PLASTICS**

- 3 DROP OFF AT APPROVED FACILITIES**

Tie up full orange bag and bring it to an approved drop-off location.

- 4 RENEW INTO RESOURCES LIKE PARK BENCHES**

The orange bags collected at the drop-off sites and the acceptable contents are sent to facilities to be converted into resources like ByBlocks, park benches, lumber, and drainage materials.*

*Particular resources may vary by geography.
