

# FoodCycle at Home

## Information Sheet

### Composting At Home Program

The FoodCycle at Home program will provide residents the opportunity to drop-off food scraps to be added to the compost mix at the Los Reales Sustainability Campus. At home composting is a great way to help divert waste from ending up in our landfills.

Participate in the FoodCycle At Home program with a convenient kitchen pail that will be provided and drop-off your food scraps at a FoodCycle site near you.

**40%**  
landfill waste is  
COMPOSTABLE

**20%**  
residential waste  
is food scraps

**50%** green house  
gasses can be reduced  
by composting
