

How to Expedite Construction Permits

1. When originally submitting the permit in the <https://tdc-online.tucsonaz.gov/#/home> in the description start by typing EXPEDITE or DOUBLE EXPEDITE and then add your description.
For example: EXPEDITE-Fire alarm modification
2. If permit has already been submitted you can email TFD-Permit-Submittal@tucsonaz.gov and provide the permit#, address, and explain that you would like to Expedite or Double Expedite the plans.

For example: Permit#: TF-FCP-0923-01101

Address: 308 W Glenn St

Explanation: I would like to Expedite these plans.

*Expedite is double the fees and the review process can be up to 2 weeks.

**Double Expedite is triple the fee and the review process can be up to 1 week.

Fee schedule is located on our website.
