Apply for a **'Fire Special Event Permit – Vendor'** permit on the Tucson Development Center Online (TDC) at: <https://tdc-online.tucsonaz.gov/#/home> no later than **30 days** prior to the scheduled display.

NOTE: Read and follow the directions throughout the application. Missing information will result in application refusal.

*For information on how to **Register** and use the Tucson Development Online (TDC) go to: www.tucsonaz.gov/files/fire/TDC_Customer_Self_Service_User_Guide.pdf

The following information **must** be attached to the permit application:

1. A completed **1.4 Pyrotechnics/Flame Performance Information** sheet.
2. A copy of a government issued photo ID (front and back) of the pyrotechnic operator conducting the display.
3. A copy of the **Certificate of Liability Insurance** for a minimum of five million dollars with the City of Tucson listed as additional insured with a Waiver of Subrogation. See '[Special Event Insurance Requirements](#)'. *May not apply to Flame Performances.
4. A copy of the pyrotechnic operator's certification issued by the Tucson Fire Department or by an approved regulating agency.
5. A detailed **Site/floor Plan** depicting the exact placement of pyrotechnics to be used as well as setback distances to the audience, performers and/or stage props.
6. A **product listing** and performance specifications of pyrotechnics to be used including the number, type and burn time.
7. An **MSDS** for each type of pyrotechnic material to be used.
8. A **manufacturer statement** that the material is designed and tested for indoor use.

It is at the discretion of the Tucson Fire Department to verify the documentation provided in the permit application packet for compliance. Incomplete packets or packets submitted late may be cause for denial of a permit.
