Dear Albert Lin:

Thank you for your generous contribution to the Chew for Ward 3 Council Committee.

The City of Tucson's Campaign Election Regulations and State of Arizona Regulations require that in order to accept a contribution, each individual must provide a daytime telephone number where he or she may be reached. We must also report a specific occupation and employer of each donor. We require your official voting address. Finally, the auditors require that we receive a **signed** verification of your contribution. We are missing an **occupation and employer** from you. We are required to make every effort to obtain this information as it related to each contributor. Please take a moment to fill out the information required on the bottom of this page, and return at your earliest convenience to:
